## ANNOUNCING

**AAPFCO Fertilizer Administrators' Seminar**  
Portland, Oregon  
Thursday, November 10 - Saturday, November 12

Dear Fertilizer Regulator,

"If I could only go to one meeting a year, I would not hesitate to choose the AAPFCO Fertilizer Administrators' Seminar". This statement has been made by many of our past Seminar attendees. It's a great place to stay current on all the issues affecting our regulatory programs.

AAPFCO is providing funds for partial scholarships to assist Plant Food Control Officials, whose states may not be able to totally fund their travel to come to the Seminar. In addition to your travel expenses, lodging and per diem, the seminar registration fee is \$100.00, which covers a continental breakfast each morning, all breaks, and the Saturday night banquet. The hotel is offering a rate of \$98 per night single or double.

Requests for a partial scholarship should be made by September 30, 2005 on the attached form. The Seminar Committee will select the recipients of the scholarships based on information supplied on the AAPFCO Seminar Scholarship Application.

Please mail or fax your request for a partial scholarship by September 30, 2005 to the address listed below. If you have any questions, please call me.

**SPECIAL NOTE: Due to limited accommodations, early hotel reservations are recommended!!!!**

(Hotel room block is only being held until October 26<sup>th</sup>)
