[ALSO] CONTAINS NON-PLANT FOOD INGREDIENT(S)

Beneficial Substances

Beneficial Substance.....% or acceptable units 10

Purpose statement:

Or

[ALSO] CONTAINS NON-PLANT FOOD INGREDIENT(S)

Beneficial Compounds

Beneficial Compound% or acceptable units

Purpose statement:

Currently Tentative in committee

-
- Committee recommended the addition of [ALSO] CONTAINS NON-PLANT FOOD INGREDIENT(S) to the Soil Amendment Model Bill OP 71 page 140: Section 4. Labeling (a)(3) Guaranteed Analysis. Example:

[ALSO] CONTAINS NON-PLANT FOOD INGREDIENT(S)

Soil Amending ingredients

“Name of ingredient” _____ %

(identify and list all)

Total Other Ingredients _____ %

Currently Tentative in committee

New Business

- Labeling for multiple “technologies” in one product.
 - For example, a product could contain both slow and controlled release nutrients, maybe a slow release nutrient and a stabilizer, or maybe have multiple enhanced efficiency products present.

Do we need to provide an example of this type of labeling or is it sufficiently cover? Page 72-73

- Public Comment
- Next Steps, Assignments and Agenda Items for Next Meeting

Adjourn
